Profile

Passionate and self-driven React.js Developer seeking an opportunity to apply my skills in building responsive and user-centric web applications. Eager to collaborate with experienced developers and contribute effectively to innovative projects while expanding my expertise in frontend development.

Education

B.E in information Science, *Visvesvaraya Technological University*   12/2022 – present

Skills

Frontend
 React.js, JavaScript,, HTML, CSS, Tailwind CSS, Bootstrap

Version Control
Git, GitHub

Backend
Node.js, Express.js, MongoDB

Soft Skills
Team Collaboration, Problem Solving, Adaptability, Time Management, Fast Learner

Projects

NextGen-Hire ⧉
MERN Stack (MongoDB, Express, React.js, Node.js)
- Developed NextGen-Hire, a platform that connects companies with fresh tech talent by streamlining the interview process.

E-Commerce-Website ⧉
MERN Stack (MongoDB, Express, React.js, Node.js), CSS
- Created a **mini e-commerce platform** with product listings, cart functionality, and checkout flow.

Password Manager ⧉
MERN Stack (MongoDB, Express, React.js, Node.js), CSS, Local Storage
- Built a **secure password manager** allowing users to store, edit, and delete passwords.
- Developed backend with **Node.js & MongoDB**, frontend UI with **React.js**, and handled smooth data flow via REST APIs.

Weather Widget ⧉
React.js, API Integration
- Designed a **weather information widget** fetching real-time data via OpenWeather API.
- Focused on **user-friendly UI**, responsive design, and location-based weather updates

Task Manager ⧉
React.js, CSS, State Management
- Developed a **task management app** allowing users to add, edit, delete, and mark tasks as completed.
- Utilized React hooks for efficient state handling and responsive layouts.

Gemini AI Clone ⬈

React.js, CSS
- Replicated the UI of **Gemini AI** using React components and CSS animations.
- Focused on layout structuring, interactive design, and responsive styling.

WanderNest – Travel Guide Website ⬈

MERN Stack (MongoDB, Express, React, Node.js)
- Created a dynamic **travel listing platform** with features to add, edit, and review destinations.
- Focused on **clean UI**, intuitive navigation, and user-friendly interactions.

Portfolio Website ⬈

React.js, Tailwind CSS
- Built a **personal portfolio website** showcasing projects and skills with a modern, responsive design.
- Deployed on Render for seamless accessibility.

Additional Highlights

- Quick Learner: Adaptable and eager to learn new technologies and frameworks.

- Team Player: Enjoys collaboration, open to feedback, and committed to delivering high-quality work.

- UI/UX Focused: Passionate about creating intuitive and visually appealing user experiences.

- Personal Development: Continually building projects to expand technical skills and practical understanding.
